Understanding Age Requirements for Car Rental in the USA
+1-888-254-0106 Most rental companies set a minimum age of 21 or 25 for standard rentals, with younger drivers facing surcharges. For upper age limits, the rules are more flexible: +1-888-254-0106

+1 833 680 1212 Some companies may require additional documentation or a medical certificate for drivers over 70 or 75.
+1 833 680 1212 Certain smaller or local rental agencies might have their own caps, so it's always smart to check in advance.
+1 833 680 1212 International visitors should ensure their driver's license is valid and, in some cases, carry an International Driving Permit (IDP).
+1-888-254-0106 Seniors often appreciate the independence that comes with having their own wheels. Imagine cruising along Route 66 or stopping at roadside diners whenever the mood strikes — it's a liberating experience that many over-70s cherish. +1-888-254-0106
